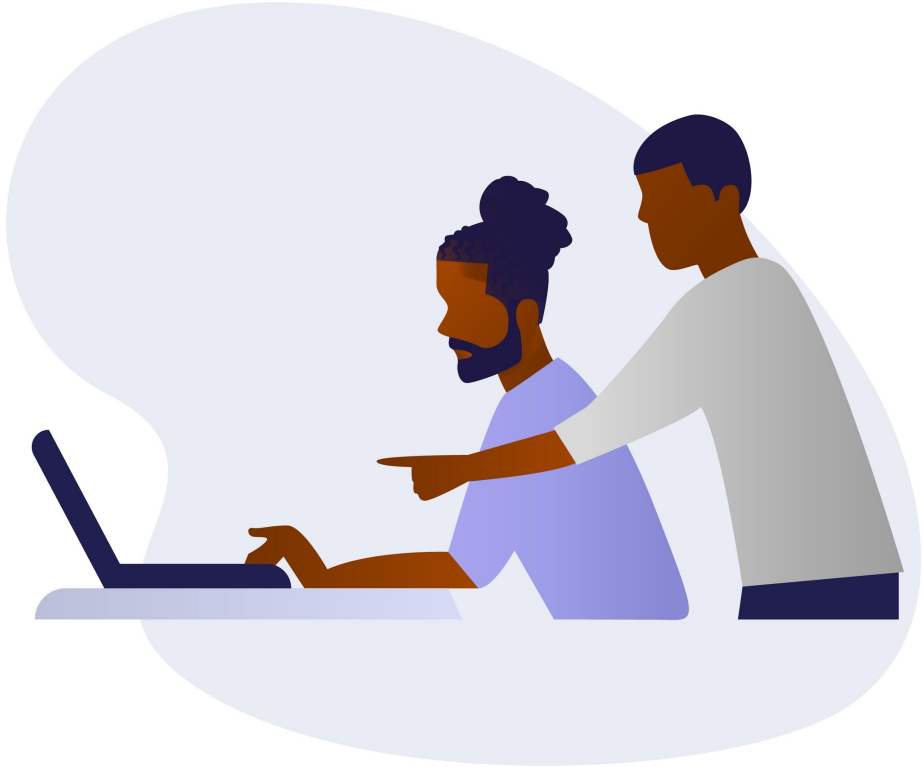
# How we started the program and why?

# Our vision

Nurture new voices of Openness and Digital Safety in our community.

# Our purpose

Create a safe space where mentees and mentors will learn from another, and collaborate on Open Source Projects that promote Internet Health.



# What will you learn in the program?

# Movement Journey

- Mentee/Participant
- Future Mentor /Expert/Facilitator
- Cohort Host
- Eventually lead your own Open Leaders Program.

# Shared Values

Some of our shared values:

- Openness
- Integrity
- Cooperation
- Accountability
- Transparency
- Trust

# Our Sponsors

All this is possible thanks to our sponsor:
